

# Student Placement

Students and instructors will need to complete the [student and instructor confidentiality agreement and orientation checklist for all students and instructors](#) on the first day of the clinical.

You will receive an email with the decision on your request at least 5 weeks prior to your clinical start date.

If your request is approved, the school clinical placement coordinator will need to complete and submit additional [post-approval](#) documentation.

These modules include:

- Safety Review 2020
- Workplace Violence
- Compliance and HIPAA 2020
- High Reliability Tools and Tactics
- Bariatric PP's found on the GGBHA website
- EPIC E-learning

- Compliance Form
- EPIC/Pyxis Request
